

LEGS ON WHEELS

EXPLOSIVE ART ROCK FROM MANCHESTER

Blazing a trail of intricate, expressive and irreverent music and live shows bursting with energy, **Legs On Wheels** have garnered a dedicated following.

Legs On Wheels have featured in PROG Magazine and receive regular airplay on BBC Radio 6 Music, XS Manchester and more. The band was also commissioned to curate a playlist for Stuart Maconie's Freakzone show on 6 Music.

GOBBLE

"This is truly bonkers...an original and inventive journey"
Classic Album Review

"One of the most refreshing things to happen in UK prog
in years"
Dom Lawson, PROG Magazine

"Gobble has completely blown me away...one of the
undersung heroes of 2026"
Rhyme Signatures

"Knotty, funky, whimsical, charming, whipsmart and
adventurous, Legs On Wheels are one of the best things
I've heard in years"
Stuart Maconie

"Gobble is an absolute masterpiece...this is 45 minutes
that will change your musical perceptions if you just let it"
I Don't Hear A Single

"It is a multi-coloured, multi-faceted, proggy, psychey dream of an album...You need LEGROOM in your life. Period."

Weirdo Shrine

"It steps into many directions: psych, jazz, pop rock, space rock and even a venture into punk...An album to be listened to in its entirety"

I Don't Hear A Single

"Psychedelic and outside the box with some great mathy undertones"

Buzz Slayers

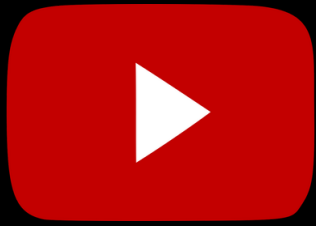

"This is mind-blowing stuff"
John Robb, Louder Than War

"Beefheart doing the conga down Canal Street"
Sophie Sveinsson, Radio X

"A careening freakshow caravan destined for
adventure"
NoNewWaveNoFun

"A cool groovy psych-rock and alt vibe with some wild
guitar work...goes to a far out trippy place with a ton
of retro influence"
